The Board of Management recognises that child protection and welfare considerations permeate all aspects of school life and must be reflected in all of the school's policies, procedures, practices and activities. In its policies, procedures, practices and activities, the College will adhere to the following principles of good practice in child protection and welfare:

The school will:

- fully comply with its statutory obligations under the Children First Act 2015 and other relevant legislation relating to the protection and welfare of children
- fully co-operate with the relevant statutory authorities in relation to child protection and welfare matters
- adopt safe practices to minimise the possibility of harm or accidents happening to children and protect workers from the necessity to take unnecessary risks that may leave themselves open to accusations of abuse or neglect

- develop a practice of openness with parents/guardians and encourage their involvement in the education of their children
- fully respect confidentiality requirements in dealing with child protection matters.

The school will also adhere to the above principles in relation to any adult student with a special vulnerability.

The following procedures/measures are in place:

In relation to the selection or recruitment of staff and their suitability to work with children, the school adheres to the statutory vetting requirements of the National Vetting Bureau (Children and Vulnerable Persons) Acts 2012 to 2016 and to the wider duty of care guidance set out in relevant Garda vetting and recruitment circulars published by the DES and available on the DES website.

In relation to the provision of information and, where necessary, instruction and training, to staff in respect of the identification of the occurrence of harm (as defined in the 2015 Act) the school:

In relation to reporting of child protection concerns to Túsła, all school personnel are required to adhere to the procedures set out in the Child Protection Procedures for Primary and Post-Primary Schools 2017, including in the case of registered teachers, those in relation to mandated reporting under the Children First Act 2015.

In this College the Board has appointed the above named DLP as the "relevant person" (as defined in the Children First Act 2015) to be the first point of contact in respect of the child safeguarding statement.

All registered teachers employed by the school are mandated persons under the Children First Act 2015.

In accordance with the Children First Act 2015, the Board has carried out an assessment of any potential for harm to a child while attending the College or participating in school activities. A written assessment setting out the areas of risk identified and the school's procedures for managing those risks is attached as an appendix to these procedures.

The various procedures referred to in this Statement can be accessed via the school's website, the DES website or will be made available on request by the College.
