

LEARNER TESTIMONIALS FROM TEMPLEMORE COLLEGE, 2019

How My Course Prepared Me for Work

Returning to education “*was the best decision I ever made*”.

If it wasn't for the two courses I [completed] along with the support, encouragement and help from Templemore College and the staff, I would never have had the confidence or belief in myself to apply for a in the Civil Service. I applied and passed all the tests and the interview and I will start my new position in the coming weeks” **(Advanced Administration Level 6 learner)**

A PLC course is a great start, if you are unsure what to do after school

“Even if [your] friends are going to college and you aren't ready for 3rd Level yet, doing a PLC is a great starting point. When I look back now I wish I had started with a PLC [course]. If you do decide to join Templemore College you won't regret it. **(Advanced Administration Level 6 learner)**

Subjects studied have lifetime value

“Many of the subjects will benefit me throughout my lifetime as they are very practical” **(Business Administration Level 5 learner)**

Development of skills and being able to work part time

“the course helped me to gain skills, experiences and qualifications that make me a better version of myself today” **(Tourism and Business Level 5 learner)**

“Another bonus is I can also work part-time as the courses here are 3-4 days per week which is really good [if you] would like to study while also earning”
