EDUCATING WITH RESPECT

POLICY FOR ADMISSION TO SCHOOL YEAR 2021/2022

Templemore College of Further Education

A decision on an application for admission will be based on the implementation of this Policy, the information set out in the annual Admission Notice of the school and the information provided by the Applicant in the application for admission, once received before the closing date set out in the annual Admission Notice. The Principal of Templemore College is responsible for the implementation of this Admission Policy.

INTRODUCTION TO TEMPLEMORE COLLEGE

Templemore College was founded as Templemore Vocational School in 1934, serving the community as a traditional vocational school. In that era the role of a Vocational School was ‘to offer general and practical training in preparation for employment in trades, manufacturing, agriculture, commerce and other industrial pursuits’ (Vocational Education Act 1930, 601).

The Intermediate Certificate was introduced in 1974, and in 1977 the Leaving Certificate was introduced.

In 1985 the Post Leaving Certificate (PLC) Programme was introduced nationally and in Templemore to provide integrated general education, vocational training and work experience for young people who had completed upper second level education or equivalent to enhance their prospects of gaining employment. The nature of this provision was a natural progression from the founding role of the College in 1934.

In 1990, the school adopted the new name of St Sheelan's College. However, in 1999, because of a reduction of post-primary enrolments, the decision was taken by North Tipperary VEC and the Department of Education and Science to develop the College as an exclusive Further Education College.

In 2000 St Sheelan's College began an extraordinary transition from a post primary school to a College of Further Education. In 2005 it became the first exclusive Post Leaving Certificate College in North Tipperary.

Also in the year 2000, Céim Eile, a programme that addresses the challenges experienced by early school leavers, was established in the College.

In 2012 the Board of Management of the College agreed to change the name of the College from St. Sheelan's to **Templemore College of Further Education** with a view to establishing both the location and the range of educational services it now provides.

1 GLOSSARY OF TERMS

‘Applicant’ means the parent / guardian of a Student, or, in the case of a Student who has reached the age of 18 years, the Student, who has made an application for admission to Templemore College of Further Education.

‘Student’ means the person in respect of whom the application is being made. All uses of the word throughout this Policy therefore imply ‘prospective’ as part of the interpretation. That is, the use of the word ‘Student’ does not mean that the application for him/her has been accepted such that s/he is regarded as a Student of Templemore College of Further Education by virtue of application alone.

‘Gender’, in line with the definition of “*the gender ground*” in the Equal Status Act 2000, is such that “*one is male and the other is female*”. This does not prejudice any Student who is Intersex or identifies as Androgynous/Androgyne, Bigender, Demigender, Gender Fluid, Genderqueer, Multigender, Neutrois, Non-binary, Transgender, Transsexual or otherwise.

‘Parent’ has the same meaning as in the Education Act 1998 and includes a foster parent and a guardian appointed under the Guardianship of Children Acts, 1964 to 1997.

‘First-Year’ means the intake group of Students for the most junior class or year in a school.

2 ADMISSION STATEMENT

DEFINITION OF A 'MULTIDENOMINATIONAL SCHOOL' IN AN ETB CONTEXT

ETB schools are state, co-educational, multid denominational schools underpinned by the core values of:

- Excellence in Education;
- Care;
- Equality;
- Community and
- Respect.

As the state provider of education, the ETB sector defines a 'multidenominational' school in the following way:

In ETB schools, all students are given equal opportunities for enrolment in line with the Education (Admissions to School) Act 2018. Once enrolled, our schools strive to provide all students with equal opportunities to engage with the curriculum and school life. In all aspects of school life all members of our school communities are treated equitably regardless of their race, gender, religion/belief, age, family status, civil status, membership of the Traveller community, sexual orientation, ability or socio-economic status.

Our schools provide a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. They strive to enable every student to realise their full potential regardless of any aspect of their identity or background. Our schools promote a fully inclusive education that recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded, culturally sensitive and responsible citizens with a strong sense of shared values.

In ETB schools, students of all religions and beliefs are treated equally. The school environment and activities do not privilege any particular group over another whilst at the same time acknowledging and facilitating students of all religions and beliefs.

Accordingly, Templemore College of Further Education shall not discriminate in its admission of a Student based on the following grounds:

- 2.1. Gender of the Student or Applicant. However, where a school admits students of one gender only, it is not discriminatory to refuse to admit Students not of that gender;
- 2.2. Civil status of the Student or Applicant;
- 2.3. Family status of the Student or Applicant;
- 2.4. Sexual orientation of the Student or Applicant;
- 2.5. Religion of the Student or Applicant;
- 2.6. Disability of the Student or Applicant;
- 2.7. Race of the Student or Applicant;
- 2.8. The Student's or Applicant's membership of the Traveller community;
- 2.9. Special educational needs of the Student or Applicant

Templemore College charges an annual fee for admission to our PLC courses.

3 LEGAL FRAMEWORK

Tipperary ETB was established under the Education and Training Board Act 2013 which sets out the functions of all ETBs, including to establish and maintain recognised schools, centres for education and education and training facilities in each ETB's functional area.

The board of management of Templemore College of Further Education is a committee established under section 44 of the Education and Training Board Act 2013 and also constitutes a board of management within the meaning of the Education Act 1998.

The Education (Admission to Schools) Act 2018 and the Education (Welfare) Act 2000 place a duty on all recognised schools to prepare and publish an Admission Policy.

The Education Act, 1998 provides for an appeal process in the event of a refusal to enrol. The appeal process is set out in section 5.3 in respect of applications made to the First-Year Group and in section 6.3 in respect of applications made to all years other than the First-Year Group.

Templemore College offers *religious education* in all year groups as it promotes the holistic development of students and can contribute positively to their wellbeing in line with the principles of the Junior Cycle and Senior Cycle Frameworks. It facilitates the intellectual, social, emotional, spiritual values and moral development of students and encourages respect for all members of our school communities. In addition, *religious education* supports the 'multi-denominational' aspect of our school's ethos as it provides opportunities for students to engage with questions around their own religious or non-religious beliefs and those of their peers.

It is important to understand that our school does not provide '*religious instruction*' and therefore the legal requirement to advise of the option to opt-out of religious instruction does not arise in this school. It is also important to understand the distinction between '*religious instruction*' and '*religious education*':

- *Religious instruction* is a term used in Ireland to indicate instruction in accordance with the rites, practices and teachings of a **particular** religion or

denomination for pupils of that religious tradition. Religious instruction may be provided in a denominational school setting.

- *Religious education* is open to all pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.

As ETB schools are ‘multi-denominational’, Templemore College supports the provision of *religious education* that caters for all students regardless of their religious or non-religious beliefs and therefore does not provide *religious instruction* of any particular religion or belief.

Parents or students over the age of 18 who wish to opt-out of *religious education* must make a written submission to the principal in the first instance. The submission should outline reasons why the opt-out is being requested. The principal will then arrange to meet with the parent(s) or student over the age of 18 to discuss the request. If after that meeting the parent or student over the age of 18 still wishes to opt out of *religious education*, the school will facilitate this in the following way:

Students will continue to be supervised in the RE class but are free to study or complete work from other subjects. Such students should not interrupt the delivery of the class or the participation of other students in the RE class.

- 4.6 The date and time on which an application for admission was received by the school as long as it is received during the period specified for receiving applications set out in the annual Admission Notice for that academic year.

Templemore College of Further Education **will consider** the offer of a place to every Student seeking admission to the school, **unless the following applies:**

4.7 The Parent, or the student who is over 18 years, fails to confirm in writing that s/he accepts the Student Code of Behaviour and he/she shall make all reasonable efforts to ensure compliance with such code by the Student.

Where Templemore College of Further Education considers an application, each Student shall receive a place, unless the school is oversubscribed, in which case, selection criteria will be applied to each application.

Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school and subsequently the school's selection criteria will be applied in accordance with this Admission Policy.

Where Templemore College of Further Education is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within the school, and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.
