

## MISSION STATEMENT

Céim Eile aims to promote a respectful learner centred environment which inspires and encourages young people towards each steppingstone in life.

### **Aim 1**

To promote a learner centred learning environment.

#### **Objectives:**

- To provide a range of support services such as, learning support, advocacy, mentoring, counselling and guidance, for learners, which will assist them in achieving their goals.
- To provide a range of co-curricular and extra-curricular activities which will promote learner development and growth.
- To provide a safe learning environment

### **Aim 2**

To inspire and encourage learners to participate actively in society.

#### **Objectives:**

- To encourage and support learners to broaden their horizons and to recognise and avail of progression options available to them.
- To provide support for literacy which includes reading, writing and digital, numeracy and career guidance.
- To provide a work experience programme which will provide learners with the skills and confidence to succeed in the workplace.
- To promote a range of teaching methodologies which will enable the programme to maximise learner potential.

### **Aim 3**

To foster a holistic approach to Education.

#### **Objectives:**

- To promote an ethos of caring, respect and hard work among learners, staff and between staff and learners
- To develop confidence and self-esteem among learners
- To promote and support well-being throughout the centre.

### **Aim 4**

To promote and encourage the personal and professional development of staff.

#### **Objectives:**

- To provide an atmosphere of collegiality and team work which will encourage professional development and open and honest communication
- To provide opportunities for staff to avail of in-service activities
- To encourage the development of new teaching methodologies
- To have regular team meetings enabling staff to contribute to the on-going development of the centre

### **Aim 5**

To develop and maintain links with a range of agencies to enhance and support the work of the centre.

#### **Objectives:**

- To provide opportunities to develop relationships between parents/guidelines and the centre by encouraging involvement and integration.
- To encourage links between agencies, statutory bodies and communities at local and national level
